

Salve Regina's RN to BSN Program

How to apply to Salve's RN to BSN Program

St. Joseph's students – apply before you've taken your RN license exam.

Here's how to do it:

1. Create an online application account at admissions.salve.edu/apply
2. In the FREE online application portal, you'll be asked to provide:
 - Personal statement (we included some guidelines for the statement in the application)
 - Resume
 - 2 letters of recommendation
 - Official transcripts from all colleges and universities attended (if you have taken classes at Salve, you do not need to request a Salve transcript)
 - Copy of your RN license (please note that this is **not required** to apply – you can send us a copy once you have taken the exam).

How Do I Get a Plan of Study?

To receive a draft Plan of Study before being admitted to Salve's RN to BSN program, begin the online application and send us transcripts from all colleges you have attended.

Mail to:

Graduate Studies and Continuing Education
Salve Regina University
100 Ochre Point Avenue
Newport, R.I. 02840

Digital copies can be emailed to: graduate_studies@salve.edu.

When we have received all transcripts, our nursing department will create a draft Plan of Study for you. You will be notified and emailed a copy once it is complete.

Have questions about this process?
