Student organizations at Salve Regina University provide the campus community with activities, programs and resources that enhance the quality of student life. Salve Regina encourages and promotes participation in these organizations as a way for students to develop life skills for achieving goals.

The process of student organization recognition is vital to provide continued service by monitoring and accurately assessing the status of all student groups. The recognition of student organizations is intended to clarify the rights, privileges and responsibilities of student organizations. All student organizations wishing to operate on campus are required to complete this recognition process.
