“Biofeedback in a Pediatric Population: Clinical Characteristics and Initial Results”
2. 72<sup>nd</sup> Annual Meeting, New England Section, AUA, Mont Tremblant, Canada, September 11-14, 2003.  
“Is Long-Term Sonographic F/U Necessary After Uncomplicated Ureteral Reimplantation In Children?”
3. 75<sup>th</sup> Annual Meeting, New England Section, AUA, Providence, RI, September 28-30, 2006.  
“Factors Involved in Parental Decision-Making for Surgical Correction of Vesicoureteral Reflux.”
4. Annual Presentation at American Academy of Pediatrics as Chair of Pediatric Urology Nurse Specialist Organization 2007, 2008

### **CERTIFIED CLINICAL RESEARCH COORDINATOR (1995 – 2009):**

#### Workshops

Clinical Trial Management – Good Clinical Practice (GCP) in Research

Good Clinical Practice, Standard operating procedures and document management, clinical trial study start-up issues, managing compliance; communication and records management, and study conduct management,

Barnett International – Monitoring Clinical Drug Studies – Intermediate

Sponsor interpretations of FDA regulations and practical application of the new ICH guidelines. The mechanics of an FDA audit, common deficiencies, study tracking and management tools. Effectively managing sites, and ensuring their optimum performance.

### **GRANTS:**

#### Clinical Research Coordinator

1. *A Phase III, Open Label, Long-Term Safety and Efficacy Study of DDAVP Tablets in the Treatment of Primary Nocturnal Enuresis*  
Application #94-0478, 1995  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray
2. *A Phase III, Randomized, Double Blind, Placebo Controlled, Parallel Group Study of DDAVP Tablets in Patients with Primary Nocturnal Enuresis*  
Application #94-0463, 1996  
Principal Investigator: Anthony A. Caldamone, M. D.

Study Coordinator: Eileen H. Gray

3. *Post Approval Study of Contigen Bard Collagen Implant*  
Application # 7682-03, 1999  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray
4. *Autologous Tissue Implant for Vesicoureteral reflux in Pediatric Patients*  
Application # 0054-97, 1997  
Principal Investigator: Anthony A. Caldamone, M. D.  
Study Coordinator: Eileen H. Gray
5. *The Clinical Investigation of Efficacy and Safety of an Autologous Tissue Implant (Chondrocyte-Alginate Gel Suspension) for the Treatment of Vesicoureteral reflux in Pediatric Patients.*  
Application #7241-01, 1998  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray
6. *The Clinical Investigation of Efficacy and Safety of a Chondrocyte-Alginate Hydrogel (Chondrogel-VR) for the Treatment of Vesicoureteral reflux in Pediatric Patients.*  
Application # 0104-99, 1999  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray
7. *A Randomized, Double Blind Study Comparing Chondrogel (Autologous Chondrocytes in Alginate Hydrogel) and Alginate Hydrogel for the Treatment in Women with Stress Urinary Incontinence Due to ISD*  
Application 0179-00, 2000  
Principal Investigator: Young H. Kim, M.D.  
Study Coordinator: Eileen H. Gray
8. *The Safety and Tolerability of Oxybutynin Chloride (Ditropan XL, Ditropan Syrup, or Ditropan Tablets) and the Treatment of Detrusor Hyperreflexia due to Neurogenic Conditions in Children Aged 6-15 years.*  
Application #0003-01, 2001  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray
9. *Open Label, Multi-Center Study to determine the Safety and Efficacy of Tolterodine Oral Solution in Children with Symptoms of Urge Urinary Incontinence Suggestive of Detrusor Instability*  
Application #0175-02, 2002  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray
10. *A Prospective, Open Clinical Study of Coaptite for the Treatment of Vesicoureteral Reflux*  
Application #0124-01, 2001  
Principal Investigator: Anthony A. Caldamone, M.D.  
Study Coordinator: Eileen H. Gray

11. *Study of the Safety and Effectiveness of the Mentor Saline-Filled Testicular Prosthesis*  
Application #0254-98, 1998  
Principal Investigator: Mark Sigman, M.D.  
Study Coordinator: Eileen H. Gray
12. *Study of the Safety and effectiveness of the Mentor Saline-Filled Testicular Prosthesis, Adjunct Study*  
Application # 0345-99, 1999  
Principal Investigator: Mark Sigman  
Study Coordinator: Eileen H. Gray
13. *Study of the Safety and Effectiveness of the mentor Soft-Solid testicular Prosthesis (SSTP). Protocol U111-403-2*  
Application # 0303-03, 2003  
Principal Investigator: Mark Sigman  
Study Coordinator: Eileen H. Gray

#### **RECENT WORKSHOPS AND CONTINUING EDUCATION**

- Reviewer of “A Lion in the House”. Documentary of childhood cancer, 2009-2010
- Pediatric Neurology, February, 2008
- Environmental Health Assessment Workshop (DOH), April, 2008
- Sigma Theta Tau Annual Conference, April, 2008
- Pediatric Cardiology, May, 2008
- Assessment Technologies Institute, LLC (ATI) Item Writers Workshop, June, 2008
- Nursing Education and Practice: Partnering for Change, June, 2008
- Appointed to committee for World Congress 2010 for Pediatric urology
