## *The University Seal*

1934

This seal depicts Our Lady of Mercy enclosed in a circle and standing before a cross. Around Our Lady's head is inscribed the motto: *Maria Spes Nostra*, Mary our Hope. On one side of the base is the lamp of wisdom, and on the other, the book of learning. This seal, according to the bylaws, shall be affixed to all official documents and decrees prepared by Salve Regina University.

## RECESSIONAL

# Carleton Albert Allen

*Doctor of International Relations  
honoris causa*

Carleton Allen, you are a visionary leader, a dedicated conservationist and an adventurous outdoorsman. With each role, you have impacted individuals, families and communities around the world, but it is your philanthropic spirit that underscores the ongoing depth of generosity with which you support the many initiatives you hold dear.

As president and CEO of Heritage Bag Company, you grew the business within the manufacturing industry, generating livelihoods for hundreds across the nation. With the same keen acumen, you launched Allen Exploration and undertook the rebuilding of Walker's Cay, an island known fondly as the Gateway to the Bahamas. Working in collaboration with Bahamians who call the island home, you have restored life to this beautiful place and, to paraphrase your own words, "revived a legend."

In addition to raising funds for disaster relief, you spearheaded the delivery of food, water and supplies to assist in rebuilding northern Bahamian islands following devastating hurricanes. Inspired by your curiosity and love of discovery, your crews continue to explore the Caribbean waters and have unearthed centuries-old artifacts. Believing that these historic relics belong to the Bahamian people, the Allen family's gift of a Bahamian Maritime Museum now houses such extraordinary treasures and more.

Together with your beloved wife Gigi, you have generously contributed your expertise and resources to further efforts in education, ecology, defense and health research. Recognizing that education empowers, you funded and organized the Bahamian Teachers Foundation, donating more than one thousand electronic tablets to school children to ensure they have the tools needed for success. Your dedication to bettering the lives of others includes supporting veterans as a board member for Honor Courage Commitment, serving as honorary chairman for both the ALS and Arthritis Foundations, and as a sponsor for Envision, an organization devoted to the blind and partially sighted.

For your commitment to humanitarian service and advocacy, Salve Regina University hereby confers upon you, Carleton Albert Allen, as an honorary member of the Class of 2022, the degree of Doctor of International Relations, *honoris causa*, with all its attendant rights, privileges and responsibilities on this eighth day of May in the year 2022.

# Kathleen Bonsignore Walgreen

*Doctor of Humane Letters  
honoris causa*

Kathleen Walgreen, your love for family and belief in the power of a Mercy education are boundless; together, they illuminate your abiding friendship with Salve Regina. You first joined our campus community as a parent and soon became a cherished friend. Now, as a beloved Trustee, you thoughtfully guide the University as we prepare to journey into and beyond our 75th anniversary celebration.

Infused with deep compassion, your philanthropic advocacy and lifelong dedication to service are a testament to Mercy's transformative force. Steadfastly loyal, you remain connected to Our Lady of Mercy High School, honoring your own education by offering opportunities so that others may be inspired by the same values. An ardent benefactor of many cultural and charitable endeavors, your leadership includes numerous fundraising initiatives in support of organizations such as the Chicago Heart Association, the March of Dimes and the National Kidney Foundation, reflecting a generous and profound humanitarian spirit anchored in a tradition of Mercy.

An advocate for historic preservation, you served as a member of the Vice President's Residence Restoration Foundation in Washington, D.C. and founded the Walgreen Drug Stores Historical Foundation, which seeks to chronicle the company's story by preserving artifacts that illustrate our nation's past and ensure the safekeeping of its present and future.

Believing that a Salve Regina education creates compassionate leaders, you have impacted our campus community in myriad ways. Your enthusiastic hospitality and support are an inspiration and, each year, members of our newest class find a home away from home in Walgreen Hall. Having commissioned a beautiful statue of Catherine McAuley, you have provided a perpetual reminder of the founder of the Sisters of Mercy, who now stands beside Our Lady of Mercy Chapel at the very heart of campus.

For your visionary leadership, extraordinary generosity and commitment to Mercy-inspired education, Salve Regina University hereby confers upon you, Kathleen Bonsignore Walgreen, as an honorary member of the Class of 2022, the degree of Doctor of Humane Letters, *honoris causa*, with all its attendant rights, privileges and responsibilities on this eighth day of May in the year 2022.

# Navyn A. Salem

*Doctor of Humane Letters  
honoris causa*

Navyn Salem, you are a dedicated humanitarian and social entrepreneur, embodying the principles of Mercy through your tireless work to end malnutrition across the globe. As founder of the nonprofit Edesia, named for the Roman goddess of food, you recognized the devastation wrought when basic needs go unmet. With visionary leadership, you designed the means to help alleviate hunger, thereby bestowing hope for developing countries that their children may grow and thrive.

A loving role model to four daughters, you are empathy in action, refusing to stand still while children suffer. Like Catherine McAuley, foundress of the Sisters of Mercy, you believe that “the poor need help today, not next week,” yielding to a catalytic force and intuitively knowing that there is no perfect time – other than this very moment – to make a difference.

With tenacious determination fueled by compassion and inspired by your father’s example, you created partnerships forming an international lifeline, from the manufacturers of Plumpy-nut’s therapeutic nutrition to service agencies such as UNICEF and USAID, impacting many millions in nearly 60 nations.

Bringing your mission home to the United States, you have worked to supply food banks and school lunch programs throughout the pandemic so that children and families have access to nourishing meals. Your deep and abiding commitment to the spirit of humanity has earned well-deserved accolades through numerous awards, including Ernst & Young’s Entrepreneur of the Year/New England and New Englander of the Year, as well as honorary degrees from several institutions, including your alma mater, Boston College, where you serve as a Trustee.

For your steadfast nurturing of children around the world and tireless dedication to ending hunger, Salve Regina University hereby confers upon you, Navyn Salem, as an honorary member of the Class of 2022, the degree of Doctor of Humane Letters, *honoris causa*, with all its attendant rights, privileges and responsibilities on this eighth day of May in the year 2022.

\* These students have completed the Pell Honors Program.

‡ These students have completed the Nuala Pell Leadership Program.

Appearance of a name in the Commencement program is presumptive evidence of graduation, but is not regarded as conclusive. The official Salve Regina University transcript, sealed and signed by the Registrar, is conclusive testimony of the student's academic record and possession of degree(s) awarded by this institution.

# Academic Regalia

When universities were taking form in the twelfth and thirteenth centuries, they were under the jurisdiction of the Church. Most of those studying were clerks in Holy Orders, monks, or priests. They wore a habit or cloak, to which was attached a cowl or hood. This could be pulled up over the head or thrown back, according to the weather. Gowns were necessary for warmth in the unheated buildings, and hoods served to cover the tonsured head before the use of the skull cap.

Today, the academic costume of cap, gown and hood has taken on a symbolic meaning. Colors and shapes conform to a generally accepted code and indicate the faculty conferring the degree and the kind of degree conferred. Gowns for the bachelor's degree are worn closed and are distinguished by their long, pointed sleeves. Master's degree gowns are designed to be worn open. They have very long sleeves, oblong in shape. Gowns for the doctoral degree, usually black, are also designed to be worn open and have velvet panels. Three velvet bars are stitched to the upper part of the full, bell-shaped sleeves.

Hoods are trimmed with a slim strip of velvet to indicate the specific faculty awarding the degree. The colored lining is the official color of the institution conferring the degree. Hoods may be trimmed to represent the following academic areas:

Arts, Letters, Humanities .....	White
Business Administration .....	Light Brown
Education.....	Light Blue
Fine Arts .....	Brown
Musical Arts.....	Pink
Nursing .....	Apricot
Philosophy.....	Dark Blue
Science.....	Golden Yellow
Theology.....	Scarlet

# *Honor Cords*

Students at Salve Regina University who have distinguished themselves through academic performance wear honor cords of these colors:

Gold — Summa Cum Laude

Blue — Magna Cum Laude

White — Cum Laude

# *The Mace*

The mace and its bearer represent a custom that dates back to the Middle Ages. From the sixteenth century in England and since colonial days in America, it has become a symbol of office carried by the procession leader. In the academic world, the mace signifies teaching authority.

The Salve Regina University mace was designed by Rhode Island sculptor Paul A. Cavanagh as an octagonal, formalized flower. The staff of ebony represents *lignum vitae* — the tree of life. A circle of eight rigid geometric forms of silver, peaked with pyramids of lapis lazuli, are representative of the Virtues. The Intellectual and Moral Virtues enable one to lead a fruitful and good life. The extending leaves of blossom deriving from the silver forms are symbolic of one's development in the world. An inner circle of leaves, in close embrace with the central form, and pistil-like cruciform with crown, suggest one's development in love of Christ and the cross.

# *The President's Medallion*

The sterling silver medallion worn by the University President at all formal academic functions symbolizes the leadership and authority of the institution's highest office.

Handcrafted by John Cavanagh, the design is based on the University shield, which symbolizes the commitment of the Sisters of Mercy to Salve Regina University, the dedication to learning by all members of the Salve Regina community, and the unending search for wisdom that flows from the knowledge of the liberal scholar. Each link of the chain is a "Mercy Cross," with a crown superimposed over the face of each cross.

## Salve Regina

Hail, Holy Queen enthroned above, O Maria!

Hail Mother of mercy and of love, O Maria!

Triumph all ye Cherubim, Sing with us ye Seraphim,

Heav'n and earth resound the hymn:

Salve, Salve, Salve, Regina!

Our life, our sweetness here below, O Maria!

Our hope in sorrow and in woe, O Maria!

Triumph all ye Cherubim, Sing with us ye Seraphim,

Heav'n and earth resound the hymn:

Salve, Salve, Salve, Regina!
