### **DNP Project Team Member(s) RESPONSIBILITIES**

The Doctor of Nursing Practice (DNP) program requires a DNP Project Team Member to provide oversight and coaching. The DNP student may choose at least three (3) team members but must have a minimum of one (1) member to assist and provide guidance to the DNP student and the DNP Project Team lead as clinical experts. The DNP Project demonstrates through a critical and systematic process the AACN (2021) *The Essentials Core Competencies for Professional Nursing Education*. At the completion of the DNP Project, the candidate is expected to complete a bound DNP manuscript, defend the project and disseminate in a professional forum. The DNP Project Team Lead serves as the academic advisor to fulfill the requirements of the DNP Project.

The DNP Project Team Member(s) responsibilities are, but not limited to, as follows:

1. Identify with the DNP student specific, measurable and obtainable goals to construct a framework and obtain the AACN (2021)The Essential and Salve Regina University Doctor of Nursing Program Student Learning Objectives.
2. Supports and enhances the DNP student in developing systematic and organizational leadership skills to complete a DNP project.
3. Assist the DNP Student to collaborate with the DNP Project Committee Members to communicate effectively via written and verbal communication methods for consistent meetings, expectations and goals of the committee members and collaborative relationship development in DNP work.
4. Supports and collaborates with the DNP Project Team Members to provide effective communication and development of the Advanced Level Nursing Education DNP Competencies.
5. Provide the clinical expert perspective within the DNP Project Team to support, encourage, and provide insight in planning, execution and dissemination of the DNP Project.
6. Provide to the Salve Regina University Graduate Nursing Program Director and Doctoral Coordinator a copy of a current CV, active, unencumbered license and certification for the Advanced Practice role, as appropriate.
