Re: Proposed Dormitories
Salve Regina University
Newport, Rhode Island

Dear Ms. Johnson:

On December 12, 2018, the Rhode Island Historical Preservation and Heritage Commission (RIHPHC) approved the following resolution:

“The Rhode Island Historical Preservation and Heritage Commission finds that Salve Regina University’s proposed construction of two new dormitories in the Bellevue Avenue National Historic Landmark District in Newport, Rhode Island, will not adversely affect the historical significance, integrity, or character of the district as a whole. This finding is specifically based on the project proposal entitled “Salve Regina University, Proposed Dormitories, HDC Application (October 16, 2018) by RGB Architects (Architect of Record) and Paul F. Weber (Design Architect).”

If you have any questions or comments, please contact me at JohnPaul.Loether@preservation.ri.gov or 401-222-4130.

Sincerely,

J. Paul Loether
Executive Director and State Historic Preservation Officer
