Remember, payroll deduction is the easiest way to give!

The electronic pledge process is easy and all information is secure. Just like the paper pledge forms, you can designate your gift by choosing specific United Way Impact Funds and/or focus areas. You can also search or use the "Write-Ins" area if you wish to designate your pledge *(or a portion)* to a specific agency. Undesignated gifts will go to the United Way Community Impact Fund.

Once you submit your pledge you will get an email confirming your gift and designations.
