Message from the President

Dear Salve Community:

The Sisters of Mercy founded Salve Regina in 1947 with purpose and an enduring vision. By equipping students with the values and skills needed to make a positive difference in the world, they created a community of lifelong learners that spans generations.

Today, Salve's mercy-inspired education differentiates our students and alumni in a rapidly evolving world. Across disciplines and with our mission in mind, they work toward impactful change through empathy and action, in their lives and in their careers.

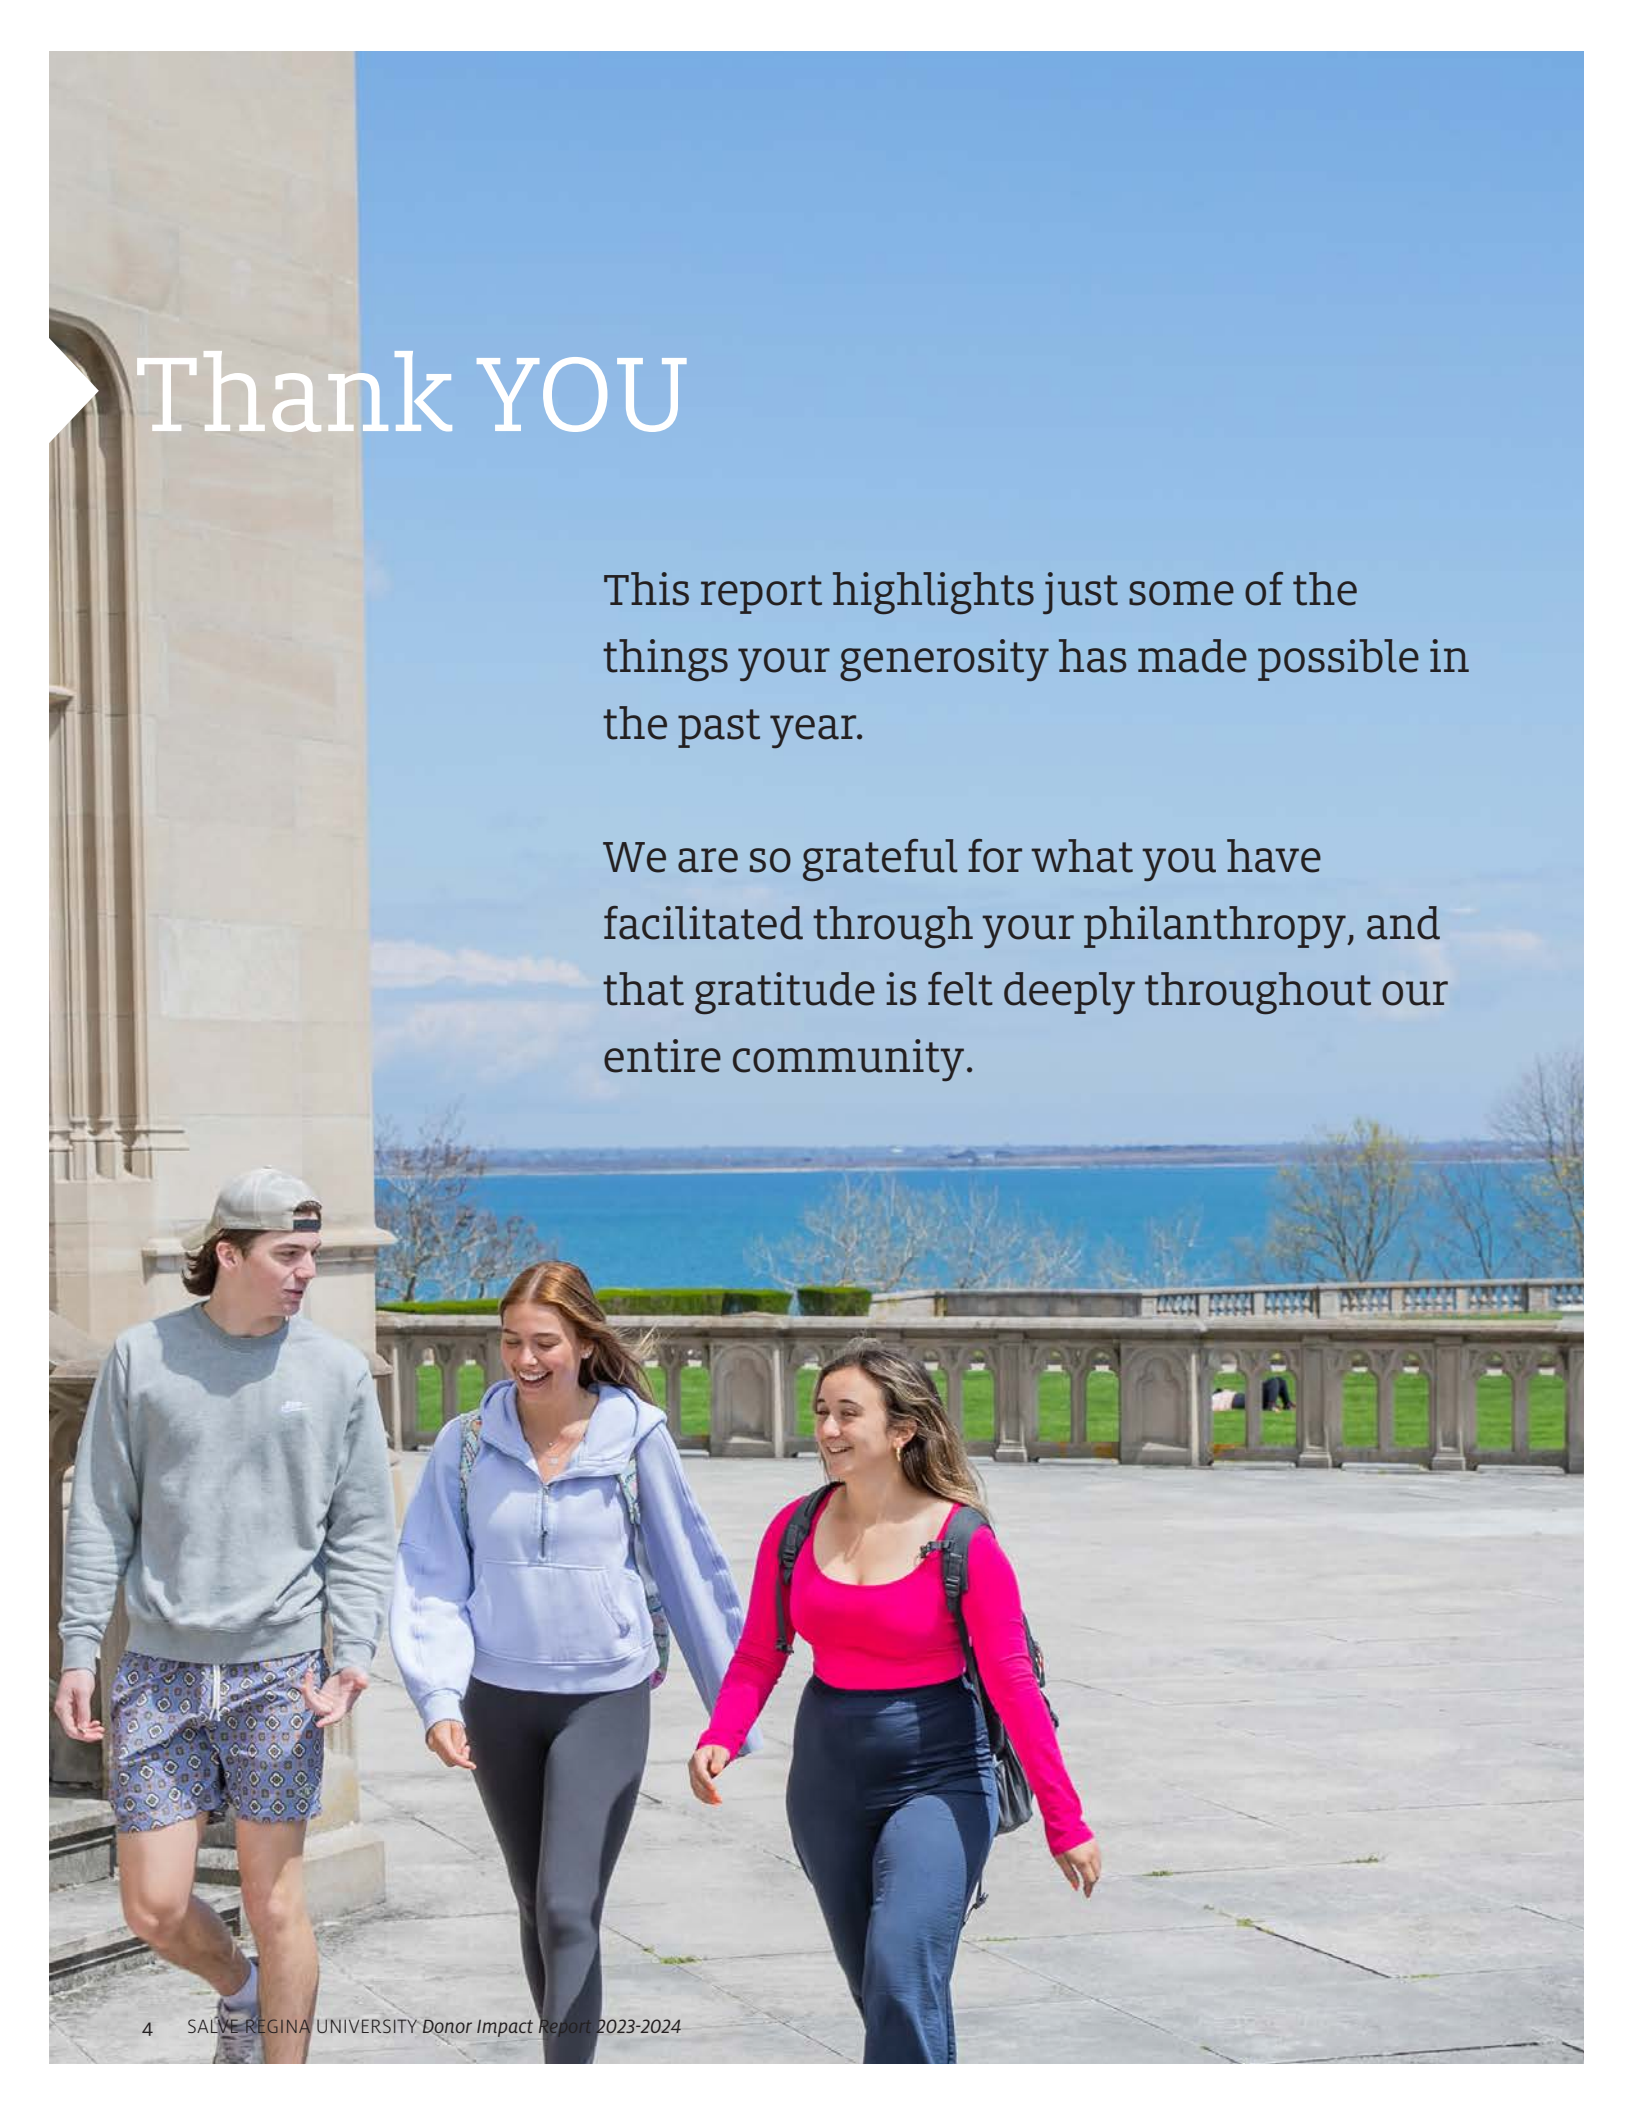

At the heart of each student's success is you, our most generous supporters. Late last year, we publicly launched the most ambitious fundraising effort in this institution's history - ***Our Mission. Our Moment. The Campaign for Salve Regina University.*** The response by our alumni, parents, faculty, staff and friends has been truly remarkable. I am inspired by your profound commitment to Salve's mission and to providing students with extraordinary learning opportunities in the classroom and in the community.

Because of you, Salve will continue to thrive and to prepare students for meaningful lives. On behalf of the entire University community, I extend my deepest thanks for placing your faith in us to fulfill the enduring vision of our founders.

With gratitude,

A handwritten signature in black ink that reads "Kelli J. Armstrong". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Kelli J. Armstrong, Ph.D.
President
Salve Regina University

In the center, a young woman in a light blue hoodie and dark leggings walks towards the right. On the right, a young woman in a bright pink long-sleeved shirt and dark pants walks towards the right. In the background, there is a stone balustrade, a green lawn, and a large body of water under a clear blue sky. The text 'Thank YOU' is overlaid on the left side of the image.

Thank YOU

This report highlights just some of the things your generosity has made possible in the past year.

We are so grateful for what you have facilitated through your philanthropy, and that gratitude is felt deeply throughout our entire community.

MISSION

Your generosity empowers Salve's mercy mission

Your support helps us to advance our mission in the classroom, on campus and in the community. Mercy makes a difference. It changes lives. And Salve's mercy mission is the bedrock upon which everything we do rests.

Thank you for supporting our transformational work as we strive to create a world that is harmonious, just and merciful.

“

Your generosity ensures our mercy mission will endure as the heart and center of Salve Regina University. The transformational vision of the Sisters of Mercy—to work for a world that is harmonious, just and merciful—will light our way into Salve’s future.

DR. THERESA LADRIGAN-WHELPLEY,
Kathleen B. Walgreen Vice President
for Mission Integration

BECAUSE OF YOU:

Funding for a student project blossomed into Catherine’s Cupboard, an on-campus pantry addressing food insecurity.

The Mercy Immersion Program around the critical concerns of immigration and women launched.

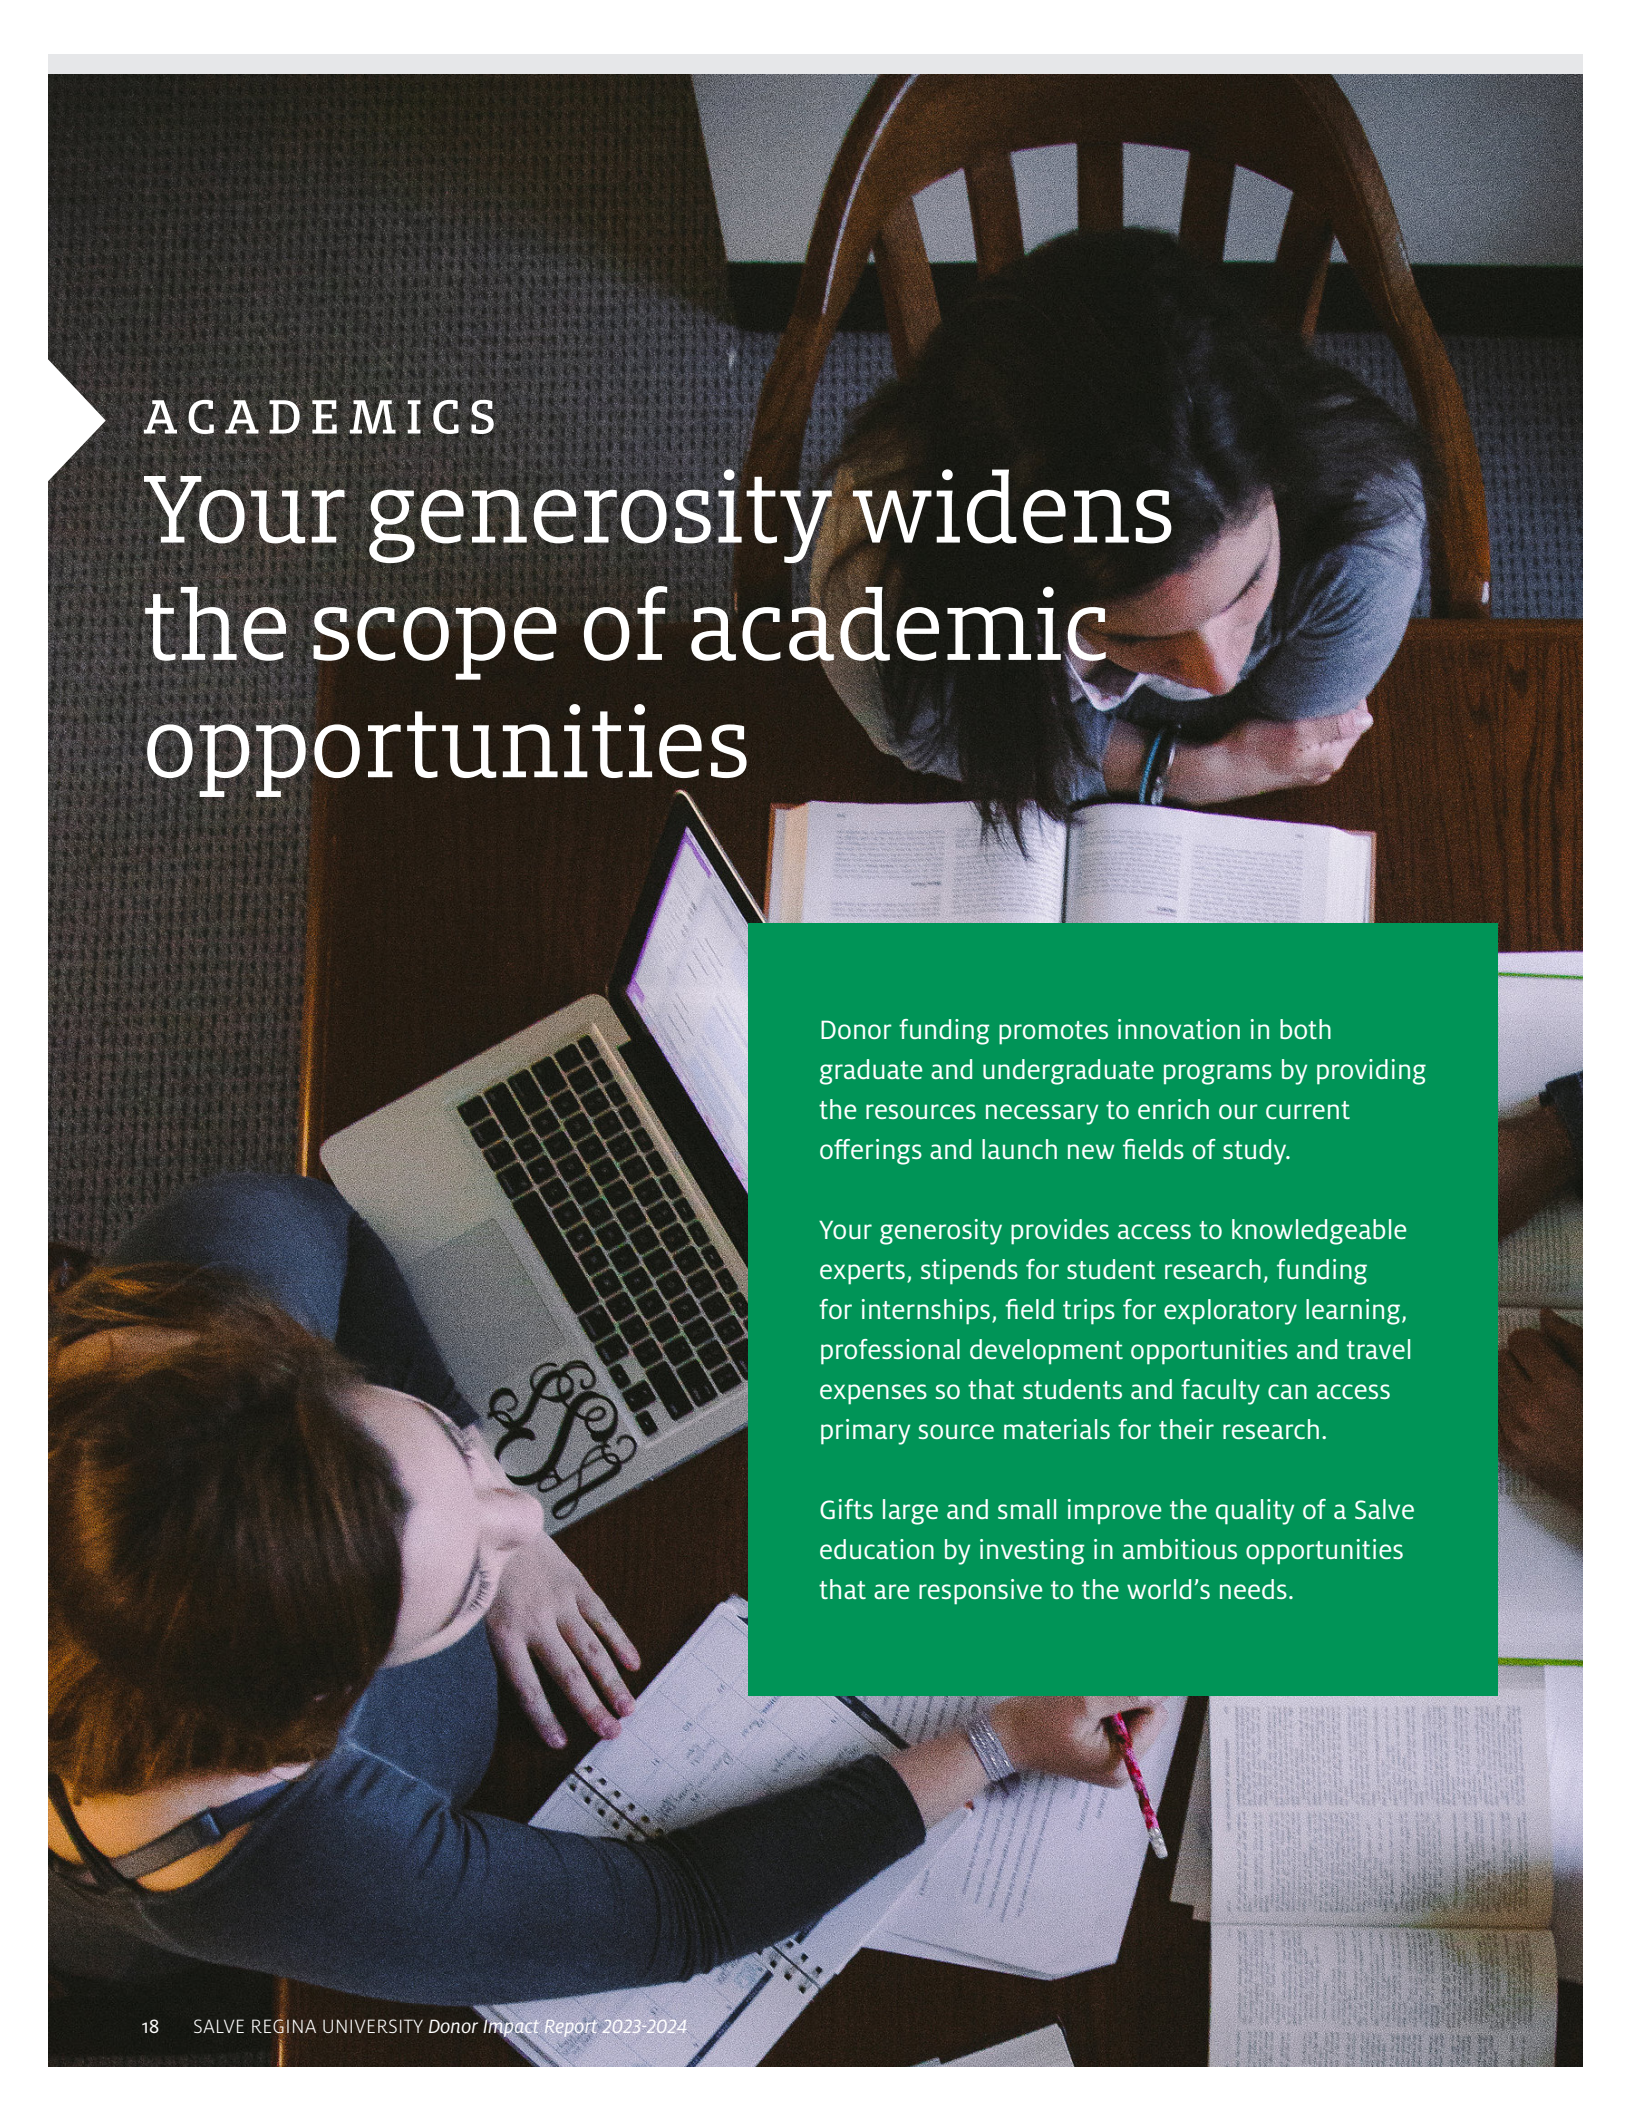

Three Vision of Mercy Fellows explored the intersections of mercy, justice, nonviolence and cultural diversity.

Four Salve student leaders engaged with 33 middle-schoolers for year four of Thompson Academy, a community-based partnership with Newport’s Thompson Middle School.

Six grant-funded faculty members researched/taught collaborative projects on the critical concern of immigration.

The Kathleen B. Walgreen Vice President for Mission Integration was endowed, ensuring the mercy mission will remain central to our work.

The Pathways Program completed its second successful year working with two cohorts of Newport high school students and their families to cultivate a greater understanding of higher education.

ACADEMICS

Your generosity widens the scope of academic opportunities

Donor funding promotes innovation in both graduate and undergraduate programs by providing the resources necessary to enrich our current offerings and launch new fields of study.

Your generosity provides access to knowledgeable experts, stipends for student research, funding for internships, field trips for exploratory learning, professional development opportunities and travel expenses so that students and faculty can access primary source materials for their research.

Gifts large and small improve the quality of a Salve education by investing in ambitious opportunities that are responsive to the world's needs.

The Andrea and Theodore Giletti Fund for Experiential Learning helped us travel to Chicago [for the Student Managed Investment Fund Conference] and compete with bigger institutions, where Salve performed in the top percentage of students.

ANDREW '24

BECAUSE OF YOU:

Students benefitting from the John E. McGinty Fund for History traveled to Northern Ireland to research the interfaith educational initiative.

Students conducted field work close to home and far afield through projects such as the Ochre Court ceiling mural restoration as well as a trip to the Amazon rainforest to study biodiversity.

A team of students competed against 83 schools and placed in the top 10% at the *Student Managed Investment Fund Conference* in Chicago.

Research opportunities such as the Claiborne Pell Fellowships enabled students across disciplines to work closely with faculty and share their findings on timely and important topics.

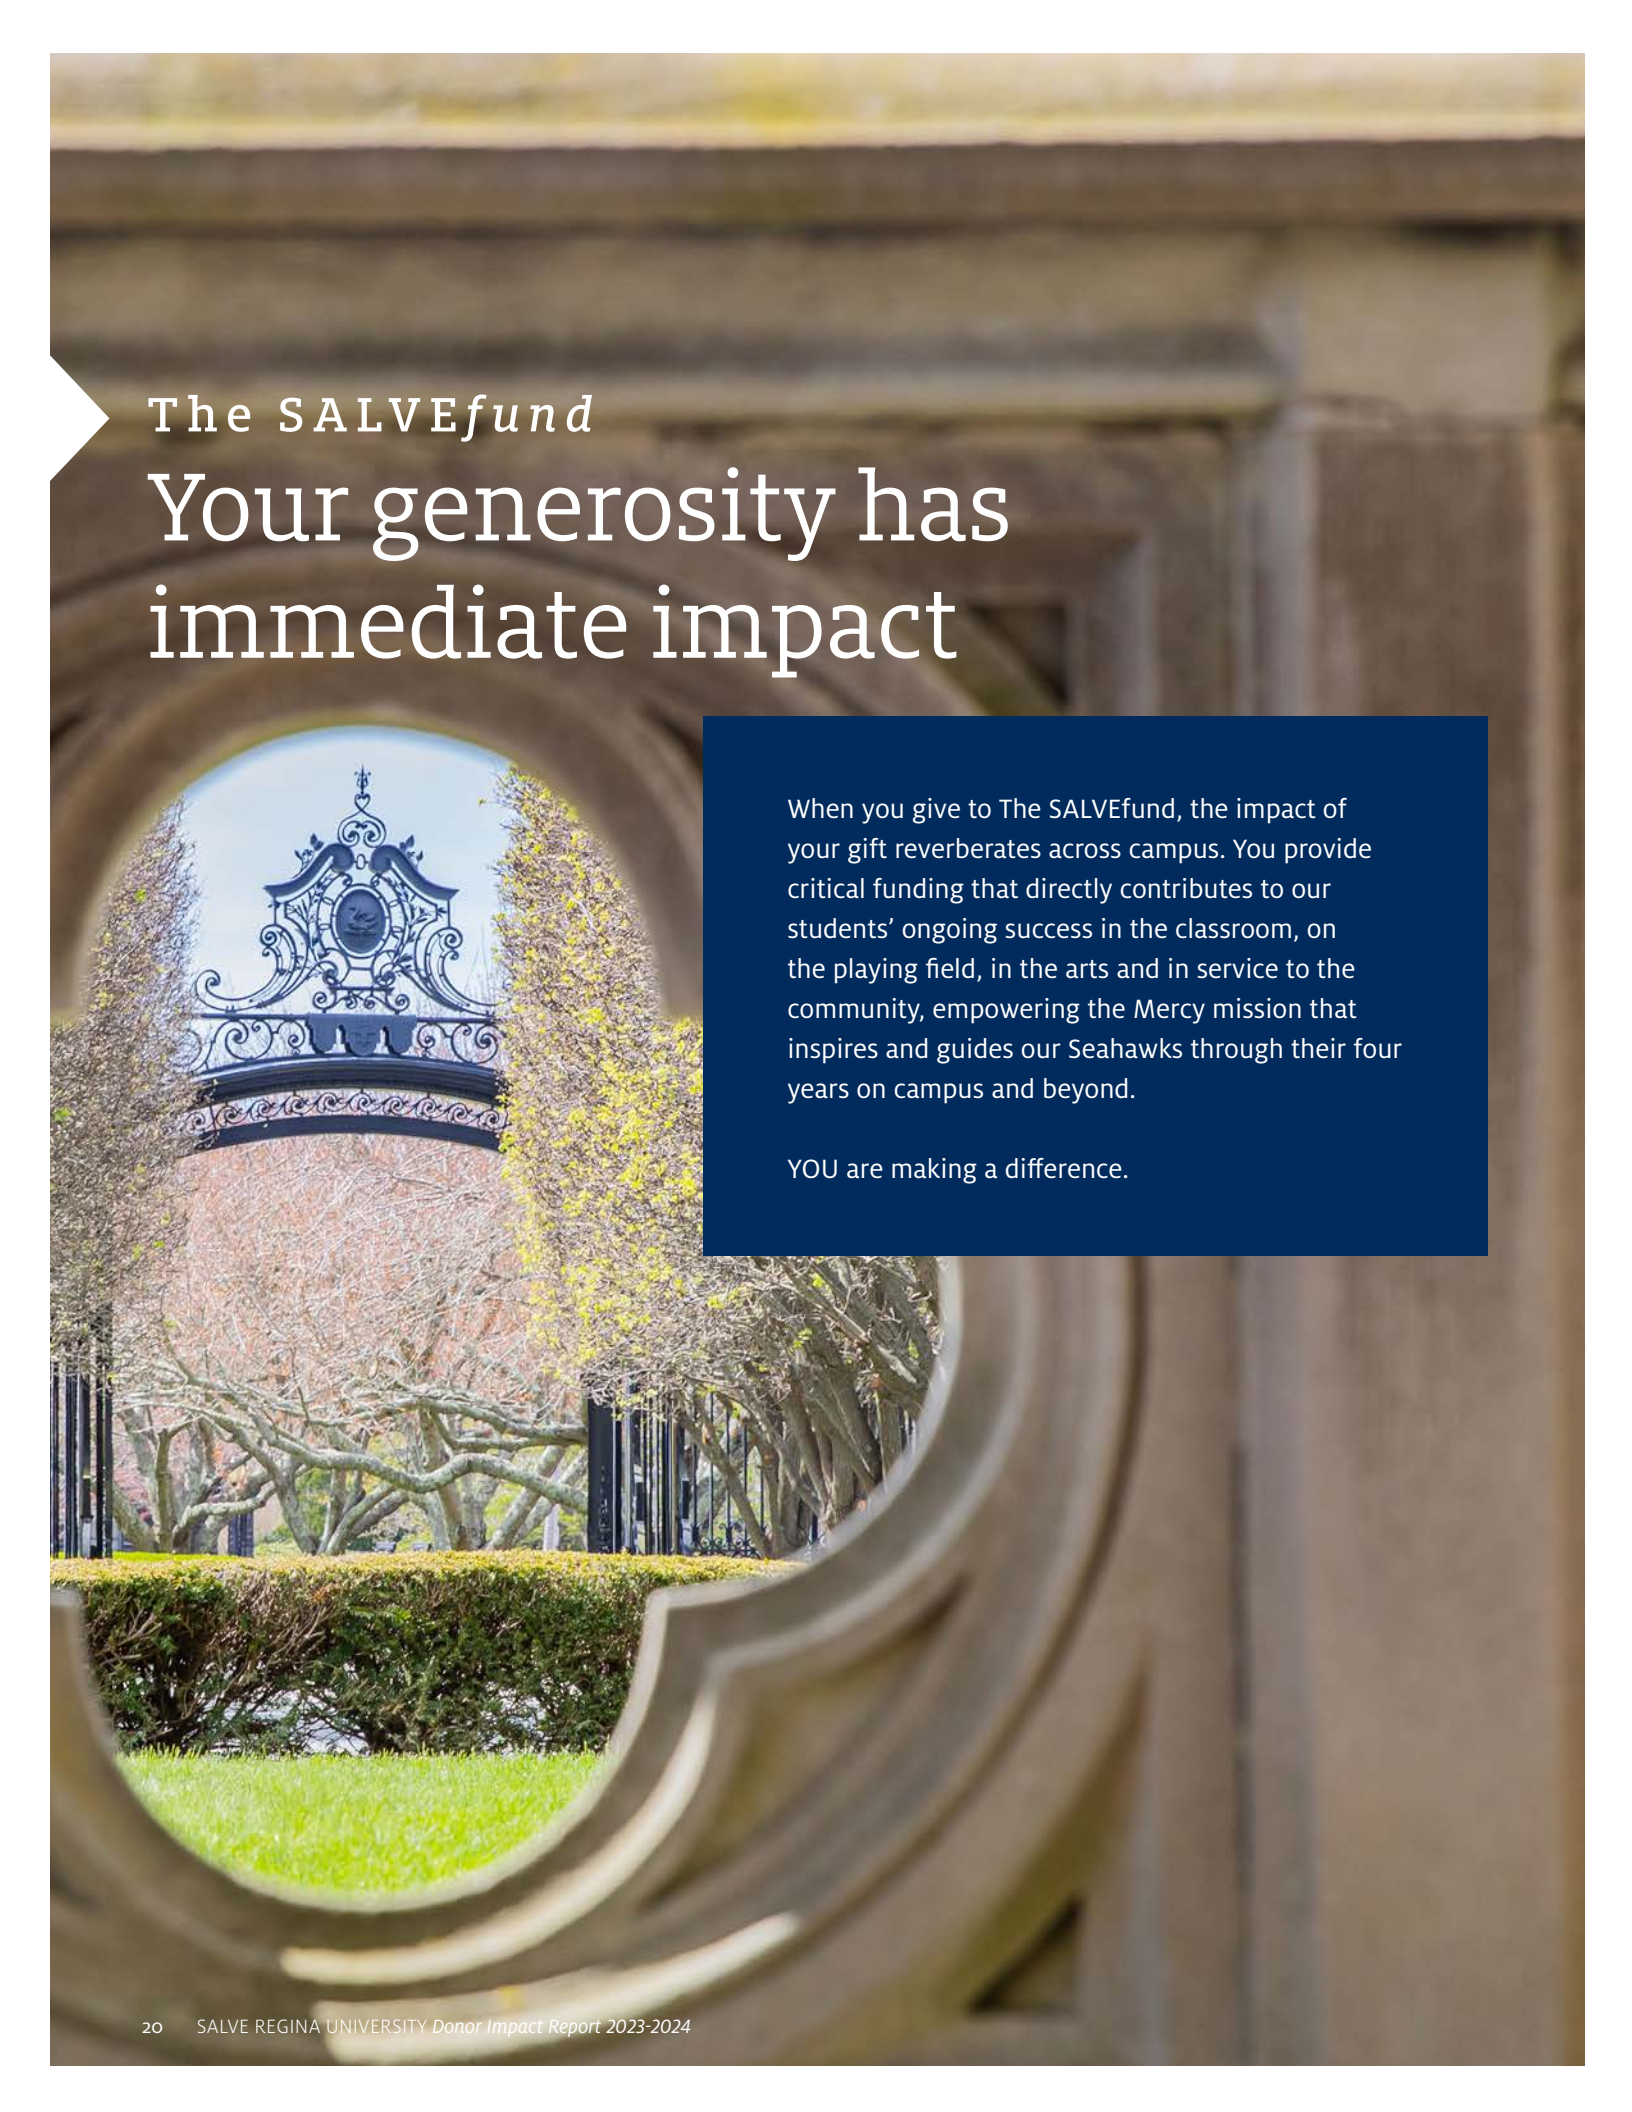

The David and Carolyn Brodsky Chair in U.S. Constitutional Democracy was established, with Dr. Mary Anderson, professor of political science, serving in the inaugural role.

The Pell Center continued its important work with initiatives such as *The Nationhood Lab* and *Ocean State Stories*, which are educating and empowering U.S. citizens to understand the historical, cultural and narrative context that surrounds American democracy.

The Department of Business and Economics launched the entrepreneurship minor, open to all majors, with support from the Pryor Family Fund for Entrepreneurship and other generous donors.

The Rodgers Family Department of Nursing addressed the shortage of healthcare professionals through the development of a new graduate specialization in psychiatric mental health set to launch in 2025.

The entire campus community had the opportunity to hear from noted scholars and experts.

The SALVEfund

Your generosity has immediate impact

When you give to The SALVEfund, the impact of your gift reverberates across campus. You provide critical funding that directly contributes to our students' ongoing success in the classroom, on the playing field, in the arts and in service to the community, empowering the Mercy mission that inspires and guides our Seahawks through their four years on campus and beyond.

YOU are making a difference.

“

There is no way we would have been able to perform on Broadway without the donors. The value of it was all or nothing.

TARA BROOKE WATKINS, Assistant Professor, Theatre; Program Coordinator, Music, Theatre and Dance; McAuley Scholar, McAuley Institute for Mercy Education

▲ Thanks to donor support, 22 theater students traveled to New York City for their Broadway debut.

38 student volunteers helped to light 1,000 lanterns and 2,000 candles as part of Salve's annual Luminaria which celebrates the Salve Family and those we have lost. 300 tributes were a part of this meaningful tradition.

▲ 355 donors helped to unlock \$25,000 in challenge funds in our 25Days25K Challenge that takes place in June. This annual challenge has been generously funded by an anonymous donor for the last six years.

◀ President Armstrong, Sammy the Seahawk and a group of students celebrate the 765 donors who participated in Salve Day of Giving and unlocked \$105,000 in challenge funds.

ATHLETICS

Your generosity promotes excellence

Athletics plays a critical role in the development of the whole student. Philanthropic support allows Salve to provide high-level, competitive opportunities for athletes while improving the quality of the fan experience.

Thanks to your generosity, our Seahawks have the resources for team travel, participation in spring break tournaments, new and improved equipment, access to nutritional expertise and facility improvements.

When our athletes succeed, it builds community pride. Successful records attract talented athletes, elevating Salve amongst its peers in the NEWMAC and the NEHC.

YOU are making a real difference for Salve and our students by supporting athletics.

“

Being a part of the Salve Regina Athletics community is something I take enormous pride in...I have learned how to balance the incredible education I have received at Salve while continuing to play the sport I love at a high level.
