Student Employment Paid Time-Off Vacation, Holidays, and Personal Leave

University policy allows paid time-off for regular full-time and regular part-time positions over 20 hours per week only. As temporary employees also working fewer than 20 hours per week, student employees are not entitled to paid time-off outside Sick & Safe Leave. Student employees are not paid for vacation, holidays, University President's Days, bereavement and jury/witness duty, or personal days.
