Notarized Verification of Identity

The student must provide verification of their identity to Salve Regina University by presenting an unexpired valid government-issued photo identification (ID), such as, but not limited to, a driver's license, other state-issued ID, or passport. The institution will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

If the student is unable to present this ID in-person, they may show their ID via scheduled video call with their financial aid counselor, submitting a scanned copy of their ID they presented on the call through our Secure Document Upload.

If unable to present their ID in-person or via video call, a student may request that a notary attest to their identity using this form.

*** If the student is unable to appear in person or via video call to verify their identity, the student must provide to the institution the following:**

(a) A copy of the unexpired valid government-issued photo identification (ID) that is acknowledged in the notary statement below, or that is presented to a notary, such as, but not limited to, a driver's license, other state-issued ID, or passport; and

(b) The original Notarized Verification of Identity provided below, **which must be notarized**. If the notary statement appears on a separate page than the Notarized Verification of Identity, there must be a clear indication that the Notarized Verification of Identity was the document notarized.
