Notes: For the purposes of the IPEDS Graduation Rate reporting, a recipient of a Pell Grant or Subsidized Direct Loan is a student who receives and uses that award (i.e., award is partially or fully disbursed) within their first year at the institution (July 1 - June 30). In accordance with The Student Right-to-Know and Campus Security Act of 1990 and the Higher Education Act, the above graduation/completion rates reflect the percent of students who, from the time of their initial enrollment as full-time students during the fall semester indicated, completed their program of studies and graduated within 150% of the "normal time" allotted. 150% of a program normally taking four years is six years. Disclosure of graduation rates disaggregated by aid category is required by the Higher Education Opportunity Act of 2008.
