Master of Science in Nursing - PMHNP

Salve Regina University's Master of Science in Nursing program is designed for those who have graduated from an accredited program (with a minimum cumulative GPA of 3.0) and hold an RN license. Completion of the MSN-PMHNP program means you are set up for a successful career as an advanced practice nurse focused on Psychiatric Mental Health.

Pricing

\$40,851 for nurses from
partner institutions

\$43,248 for nurses from
non-partner institutions

Flexibility

Complete our MSN-PMHNP
program in as little as
36 months with six different
start dates per year.

Benefits

Preferred tuition rate for nurses
at partner institutions extends
to family members as well as to
members of the military.

**Pricing reflects cost of nursing curriculum only*

Program Requirements

You will earn your MSN-PMHNP by completing 51 credits and a minimum of 750 hours of precepted clinical work (split across three courses). A minimum of 42* credits must be taken at Salve Regina University to obtain your master's degree. To apply, you must have an RN license that is current and in good standing, you must have maintained a GPA of 3.0, and graduated with a BSN from an accredited program. All qualified students are eligible for admission regardless of race, color, age, gender, disability, religion or national origin.

**students can only transfer a maximum of 9 credits*

Salve Nursing

Founded by the Sisters of Mercy in 1934, Salve Regina University is a Catholic institution known for excellence in learning and fueling the imagination of students to bring forward progressive ideas that marry intellect and spiritual growth.

We enroll nearly 2,700 undergraduate and graduate students from across the globe. Our programs are designed to support a world that is harmonious, just and merciful by integrating student experience and personal values with competency in theory and in practice.

- ▶ Financial aid is available
- ▶ Join our program to discover the difference Salve can make in your personal and professional life
- ▶ Opportunities for professional development within a holistic model of education backed by the Mercy Mission
- ▶ Preparation to address future health needs of various populations

Nursing Curriculum

Join the ranks of compassionate leaders in mental health care through Salve Regina University's MSN with a Psychiatric Mental Health Nurse Practitioner (PMHNP) concentration. Salve Regina University is accredited by the New England Commission on Higher Education. Its baccalaureate degree programs in nursing, master's degree program in nursing and Doctor of Nursing Practice program are accredited by the Commission on Collegiate Nursing Education.

As a PMHNP student, you'll engage in a comprehensive curriculum that integrates the latest research, evidence-based practices, and ethical considerations. Through innovative learning opportunities and personalized support, you'll develop expertise in assessment, diagnosis, and treatment of mental health disorders across the lifespan. Our program emphasizes a holistic approach to mental wellness, empowering you to address the complex needs of diverse populations with empathy and cultural sensitivity. Take the first step towards a fulfilling career in psychiatric nursing – apply to Salve Regina's PMHNP fully online program.
