# Faculty Fellows Program Application

2027-2028

## Purpose of program

The Faculty Fellows Program is designed to strengthen the relationship between the Pell Center and interested Salve Regina faculty by creating a formal mechanism to exchange ideas, support and publicize scholarship, and collaborate on research, teaching, and events. The program provides faculty with opportunities for professional development, interdisciplinary collaboration, public engagement, and leadership while connecting faculty expertise more directly to the work of the Pell Center.
