Important Definitions:
Knowledge rate: Percentage of graduating class with a known outcome; excludes those students for whom no information is available.

Outcomes Success Rate: Percentage of graduates who have an outcome of employment, service or military, or continuing education divided by the number of graduates with a known outcome. It excludes those graduates identified as not seeking an outcome.

Embark First Destination "class of" years include students graduating with Aug, Dec, May credential dates. Example: Class of 2024 includes students graduating with Aug 2023, Dec 2023, May 2024 credential dates. Students may be counted in more than one class year if receiving a degree in each year.

Data source: Lightcast EMBARK First Destinations survey and data collection. Data compiled: Institutional Research
