Post Master's PMHNP Certificate

Psychiatric Mental Health Nurse Practitioner (PMHNP) certificate is an accessible and intensive program designed for professionals who hold an M.S. in nursing and wish to transition their career to an advanced practice psychiatric mental health nurse practitioner. Through didactic and experiential learning, we build on your previous training to provide preparation for national certification as a psychiatric mental health nurse practitioner.

PRICING

\$24,030 for nurses from
partner institutions.
\$25,440 for nurses from
non-partner institutions.

FLEXIBILITY

Complete the Post Master's
PMHNP program in as little
as 24 months with 30 credit
hours and 750 clinical hours.

BENEFITS

Preferred tuition rate for nurses
at partner institutions extends to
spouses and family members as
well as members of the military.

Program Benefits

Our psychiatric mental health nurse practitioner program is delivered online in a thoughtful blend of synchronous and asynchronous class meetings. A 40-hour skills-based colloquium on Salve Regina's campus is also required. This combination offers the flexibility required for working adults while also fostering personal connections with faculty that are the hallmark of the Salve Regina experience.

Salve Nursing

Founded by the Sisters of Mercy in 1934, Salve Regina University is a Catholic institution known for excellence in learning and fueling the imagination of students to bring forward progressive ideas that marry intellect and spiritual growth.

We enroll nearly 2,700 undergraduate and graduate students from across the globe. Our programs are designed to support a world that is harmonious, just and merciful by integrating student experience and personal values with competency in theory and in practice.
