

THE TUITION REFUND PLAN

Providing Families Tuition Security Since 1930

PROTECT YOUR TUITION AND FEES WITH THE TUITION REFUND PLAN

The cost of education today is a substantial investment, one which is likely to be your second largest next to a home purchase. If you are hurt or become ill and cannot complete the term, you stand to lose thousands of dollars.

While most colleges provide partial refunds for withdrawals, they are limited and usually effective only when you withdraw early in the term. This Plan dramatically enhances the college refund schedule and provides more generous refunds throughout the entire term.

The Tuition Refund Plan will alleviate if not eliminate your financial loss. The Plan will return your tuition and allow you to re-enter college when a term must be repeated. It will provide funds which can reduce your loan obligations under government or private loan programs.

The Plan is administered by A.W.G. Dewar, Inc., Quincy, Massachusetts, now in its ninth decade of service to the educational community. Today, over 1200 leading independent school and colleges throughout North America offer the Plan. The Plan described below has been specifically designed for the needs of college students and parents. It offers a unique benefit of a significant refund of term tuition and fees when you are forced to withdraw for medical reasons at any time during the term.

Since 1930 **DEWAR**

WHAT THE PLAN COVERS

INJURY & SICKNESS WITHDRAWALS

90% of the insured term tuition, fees, room and board, less any refund or credit due you from the University, will be refunded provided your physical condition is certified by a licensed physician and forces you to completely withdraw from all classes for the balance of the term.

MENTAL HEALTH WITHDRAWALS

90% of the insured term tuition, fees, room and board, less any refund or credit due you from the University, will be refunded provided your medical condition is certified by a licensed physician and you have completely withdrawn from all classes for any condition whose diagnosis is found in the DSM-V Manual.

In both cases above, a “complete withdrawal” from the college is required. This means you have given written notice that because of an injury or sickness you will not be able to complete the term and you will not receive any academic credit. A written statement from your doctor certifying the injury or sickness and University verification will be required.

CONDITIONS OF COVERAGE

The insurance may be purchased to cover tuition, fees, room and board. Off campus room, meals, books, or fraternity/sorority charges, or incidental charges cannot be insured. Your protection covers a full term from the opening to closing date. This coverage refunds on a term basis only. Your premium covers one term. No applications can be accepted if mailed after you start classes. Coverage ceases on the last day of formal academic instruction by the College or University due to any reason.

EXCLUSIONS

- war or any act of war, declared or undeclared
- terrorism
- the use of any drug, narcotic or agent which is similarly classed or has similar effects (except when it is prescribed by a doctor)
- taking part in a riot
- failure to attend classes for any reason other than injury or sickness
- withdrawal when the student receives credit for an incomplete term
- suicide or intentional self-inflicted injury or sickness

CLAIMS

Claim forms with instructions are available at the Student Accounts office or by contacting A.W.G Dewar, Inc. All Mental Health withdrawals will be classified in accordance with the American Psychiatric Association's Diagnostic and Statistical Manual - DSM-V.
