Dear Student:

Congratulations on your acceptance to Salve Regina University and welcome to our University community. The Health Services staff and I hope that your stay at Salve will be enriching and that you will enjoy good health.

Each student is required to submit a fully completed Health Form to University Health Services at Salve Regina. The forms identify the Rhode Island Department of Health vaccination requirements and recommendations for all incoming students.

Steps to follow:

1. Go to our website http://www.salve.edu/health-services and download a copy of the Health Form and instructions. If you do not have access to a computer, please call our office at (401) 341-2904 and we will send you a copy of the forms.

2. Complete pages 1, 2 and 3 of the Health Form including signature(s) at the bottom of page 3 before your appointment with your provider.

3. Give the “Dear Provider” letter and the Health Form to your provider.

4. Obtain a complete medical examination, which is to include:
   a. Laboratory tests listed, including CBC, urine and a blood cholesterol test
      (preferably fasting) as a screening and baseline study for the future.
   b. Immunizations against measles, mumps, german measles, hepatitis B, tetanus, diphtheria and varicella or evidence of immunity to the disease, are required by State Law.
   c. The Meningococcal vaccine and HPV vaccine are very strongly recommended.

The completed Health Form must be received by July 1. Should the report be determined to be incomplete, it will be returned to the sender for completion.

Registration at the University cannot be confirmed until this requirement has been completed. Thank you for your cooperation.

Sincerely yours,

Bernadette Gleeson, RNP
Lead Nurse Practitioner of Health Services
Salve Regina University
