

Parking Regulations

Office of Safety and Security

The University seeks a balance between the need for parking and the maintenance of the open space. We strive for a balance that will lend itself to a pedestrian campus and meet all of the community's needs. This policy seeks to help the University achieve this end.

Parking and operating a motor vehicle on the campus of Salve Regina is a privilege, not a right, and constitutes acceptance by the individual of the responsibility to assure that his or her vehicle is neither parked or operated in violation of any University regulation or motor vehicle and traffic regulations of the city of Newport and the state of Rhode Island.

The University assumes no responsibility for the loss or theft of, damage to, or property missing from vehicles parked or operated on the Salve Regina campus.

All faculty, staff, students and visitors operating or parking a vehicle on campus are responsible for familiarizing themselves with and understanding these regulations and to have their vehicle registered with the Office of Safety and Security.

Freshman Residents

Freshman resident students are not permitted to have vehicles, motor scooters or other motor---driven cycles on campus or within the city of Newport during the entire academic year (September---May). Violating this policy will result in ticketing and towing. The privilege of having a vehicle on campus during their sophomore year may be revoked, and students may be referred to the Office of the Dean of Students for student conduct review should the intent of this policy be violated by a freshman resident student.

Transfer students must complete two semesters at any institute of higher education before a vehicle is authorized. It is never based on the number of college credits a students has when entering the University.

Freshman resident violations

- First violation: \$50 fine and loss of sophomore privilege for 30 days
- Second violation: \$50 fine, tow and loss of sophomore privilege for first semester
- Three or more violations: \$50 fine, tow, loss of privilege for entire sophomore year and referral to the Office of the Dean of Students for student conduct review

Freshman resident students who have not received a Salve Regina parking ticket but have been identified by other means as having a motor vehicle on campus or within the city of Newport will also be held responsible for violating this policy.

One Car/One Space Policy (Resident Policy)

Upperclassman resident students are assigned parking in an authorized parking area on campus. Resident student vehicles may not be used for any reason for on-campus transportation Monday---Thursday 7 a.m. to 7 p.m. and Friday 7 a.m. to 5 p.m. This includes all campus parking lots (other than the one your vehicle is assigned) and Newport city streets adjacent to the University (see below for additional information).

Only the Office of Safety and Security may authorize an exception to this policy. If an exception is granted, the student is responsible to get the name and badge number of the officer granting permission.

Resident and commuter students: The city of Newport restricts parking on the following streets between the hours of midnight and 6 a.m.

- Lawrence Avenue (between Webster and Leroy)
- Narragansett Avenue
- Victoria Avenue
- Ward Avenue
- Webster Street
- Wetmore Avenue

Students parked at these locations are subject to policy violations issued by Salve Regina Safety and Security in addition to parking tickets by the Newport Police.

Registration of Motor Vehicles

All resident students must register their vehicle. All applicants for a campus vehicle permit must present a valid University ID, driver's license, state registration certificate and proof of insurance.

A fee of \$125 per school year will be assessed for undergraduate parking permits and a fee of \$62 per school year for graduate students. For the loss of any parking permits there will be an additional charge of \$125.

Issuance of a vehicle permit does not guarantee a parking space on campus; it is a privilege to operate or park a vehicle on University property. Parking in all lots requires a valid parking permit. Permits for students, faculty and staff expire as stated on the decal.

A fee of \$25 will be assessed for the reissuance or transfer of a permit from one car to another.

Issued permits must be affixed on the outside of the rear windshield, lower left hand corner, on the driver's side. Permits are not transferable. The Office of Safety and Security must be notified immediately of any change of vehicle, state registration plate or other information pertinent to motor vehicle registration. Improper use or display of a permit will be treated as a violation under these regulations. Any alteration to permit, including lamination, is against regulations and will be treated as a violation

Fraudulent presentation of documentation to obtain a parking permit will result in suspension of privileges for all parties involved.

SCOOTERS AND MOTOR DRIVEN CYCLES

Traffic Regulations

All laws of the state of Rhode Island governing the operation of a motor vehicle are deemed to be regulations of the University as well (e.g. it is forbidden to operate a vehicle while under the influence of an intoxicant, to operate in a reckless manner, to drive so as to endanger, etc.).

- Driving or parking on lawns, walkways or any areas not designated for vehicular traffic is prohibited. Fines and repair costs will be assessed.
- Pedestrians shall enjoy the right-of-way at all times.
- The operator of a motor vehicle must obey all campus traffic and directional signs and the direction of security personnel.

Snow Emergencies

The director of safety and security, in coordination with the superintendent of grounds, is authorized to restrict parking on campus during a declared snow emergency so that snow removal operations are not impaired. The restrictions issued by the director of safety and security are deemed part of these regulations. Parking ban information will be communicated via University email and social media.

Violations

Listed below are some of the more common violations:

- Failure to have Salve Regina permit
- Parking in a restricted area
- Fire lane violation (cannot be appealed)
- Handicap violation (cannot be appealed)
- Violation of street parking policy (resident students)
- Violation of parking lot policy (resident/commuter students)

Penalties and Fines

Registering, operating or parking a motor vehicle on the Salve Regina campus is a privilege that may be revoked if you receive five or more parking tickets during an academic year. The student who registers the motor vehicle is ultimately responsible regardless of who was operating the vehicle at the time of the infraction. If your privilege to operate or park a motor vehicle on campus has been revoked, it must be promptly removed from Salve Regina property. Your motor vehicle license plate information will be placed on a tow log and at that point may be towed. The motor vehicle plate information will remain on the tow log for the entire academic year. This also precludes the student who has lost privileges from using a different motor vehicle to park on campus or within the city of Newport.

In addition to losing your parking privileges on campus, you are not authorized to have a motor vehicle within the city of Newport during this period. After losing his/her parking privilege, any student who is parked on campus or within the city of Newport, will face the

following threefold sanction: First, he/she will automatically lose parking privileges for the following academic year; second, he/she will be referred to the Office of the Dean of Students for student conduct review; third, a \$50 fine.

Towing

All illegally parked vehicles are subject to towing. If a vehicle is towed, the cost of towing plus the violation will be levied. The University is not responsible for damage to a vehicle during towing or storage. A vehicle parked on University owned or controlled property may be towed at owner's expense, even if the vehicle is legally parked at the time when:

- There is repeated disregard of parking regulations.
- The vehicle is blocking free flow of traffic on University property, creating a possible hazard.
- The vehicle is parked in a zone such as a handicap, fire lane, tow away, official use only assigned parking, etc.
- You receive five or more parking tickets during the academic year.

Towed vehicles are not subject to appeal. Towing charges are not reimbursable for any reason. Repeat violators will be referred to the dean of students for student conduct review.

Appeals

Commuters and upperclassmen (sophomores, juniors and seniors) charged with a violation have the right to request an appeal of the violation. Tickets issued to freshmen resident students are not subject to appeal. Fire lane and handicap violations are not subject to appeal.

Appeal forms are available at the Office of Safety and Security. The form must be submitted to the Office of Safety and Security within seven calendar days of the violation. Any appeal filed after the seven days will not be heard. **Appeal forms must be submitted by the owner of the permit. Once appeal forms have been submitted, they may not be changed.**

A University Parking Appeals Board will meet once a month to hear all requests. The party requesting the appeal must be present at the hearing. Failure to appear as scheduled will result in the violation being sustained. **It is the student's responsibility to notify security prior to the hearing if they are unable to attend or will be late for any reason.** After reviewing the facts and listening to any testimony, the Parking Appeals Board will render a written decision within seven calendar days.

The finding of the University Parking Appeals Board shall be final. The University Parking Appeals Board will be made up of three members of the University community. University staff and student representatives must be present at each Parking Appeals Board.

Appeals after the last regular appeal board for the academic year will be heard by one of the staff members assigned to the Parking Appeals Board.

Guest Parking and Student Responsibility

If you are having guests visit and they plan on parking on Salve Regina property, you must obtain a Salve Regina guest parking permit. Please bring your Salve Regina ID and your guest to the Office of Safety and Security (Tobin Hall). Your guest will need identification, their automobile registration and proof of insurance. Guests

You are responsible for the parking of your guest. If your guest receives a parking ticket, the Salve Regina student is held responsible.
All guests are authorized to park in the Rodgers Recreation Center only.

Fraudulent presentation of documentation to obtain a guest parking permit will result in suspension of privileges for all parties involved.
