## Program Requirements

You will earn your B.S. in nursing by completing 125 credits and automatically receive 58 credits for your prior educational preparation as a registered nurse. Coursework taken at other institutions or during the licensing process may also be eligible for transfer. A minimum of 30 credits must be taken at Salve Regina University to obtain your bachelor's degree. To apply, your RN license must be current and in good standing and you must have maintained a minimum GPA of 2.7. All qualified students are eligible for admission regardless of race, color, age, gender, disability, religion or national origin.

- ▶ Financial aid is available
- ▶ Join our program to discover the difference Salve can make in your personal and professional life
- ▶ Opportunities for professional development within a holistic model of education backed by the Mercy Mission
- ▶ Preparation to address future health needs of various populations

## This is Salve Nursing

Founded by the Sisters of Mercy in 1934, Salve Regina University is a Catholic institution known for excellence in learning and fueling the imagination of students to bring forward progressive ideas that marry intellect and spiritual growth.

Accredited by the New England Commission of Higher Education, we enroll nearly 2,700 undergraduate and graduate students from across the globe. Our programs are designed to support a world that is harmonious, just and merciful by integrating student experience and personal values with competency in theory and in practice.
