

Blue Innovation Symposium 2018

Nov. 27-28, 2018, Newport, Rhode Island

Organized by Salve Regina University and sponsored by the Consulate General of Canada in Boston

The Blue Innovation Symposium is the premier event in New England for connecting the marine technology industry for education, networking and facilitating partnering opportunities. The symposium will bring together leading-edge marine technology companies for programming aimed at providing an overview of current trends in the industry, and a showcase of start-up companies to discuss their new technologies. By becoming a sponsor you can reach the industry's top technology professionals, researchers, and leaders.

To become a sponsor the Blue Innovation, please review the levels below before visiting:
