

SALVE REGINA UNIVERSITY

Program in Applied Behavior Analysis (ABA)

Our course sequence has been verified to meet the coursework requirements for eligibility to take the Board Certified Behavior Analyst certification examination. Applicants will need to meet additional requirements to qualify.

Our 12-course master's degree combines the coursework and practicum experience required to sit for the national certification exam with elective courses that fulfill personal and professional objectives. We also offer a seven-course certificate and practicum experience designed for students who have completed a master's degree in psychology or a related field.
