

Office of Career Development

MISSION STATEMENT

The Office of Career Development guides and empowers students to discover their strengths and talents, helping them articulate their interests and experiences to create a positive and lasting impact on the world.

HANDSHAKE

The Office of Career Development utilizes the Handshake recruiting system for seamless interaction between students and employers. Handshake is a user friendly resource, enabling recruiters to easily post internships and jobs for Salve Regina students and alumni. Handshake is also used for marketing recruiting activities to students, scheduling on-campus interviews, and managing event registrations. Our staff is happy to assist employers in creating and managing their Handshake accounts.

Opportunities for Employers

COLLABORATING WITH EMPLOYERS

The Office of Career Development is dedicated to making employers' recruiting efforts a success at Salve Regina University. We understand that finding the right intern or employee requires a significant investment of time and resources. Keeping this in mind, our office is committed to collaborating with employers to coordinate recruiting activities that are beneficial to the employer and the student. There are many events and activities we can work on together to ensure the hiring needs of your organization are met.

ON-CAMPUS INTERVIEWING

On-campus interviewing is a convenient and cost effective way to recruit talent from Salve Regina to your organization. Employers interested in on-campus interviewing should contact our office to coordinate the logistics for a visit to campus. We will work with you to establish an interview date and timeline for collecting resumes and selecting candidates via our Handshake system. We are dedicated to providing employers with an optimal recruiting experience that will meet their hiring goals.

SPECIAL EVENTS

Our office is developing new career programs to help foster connections between our students, recruiters, and Salve Regina University alumni. We host several industry-specific Career Connections Nights each year, enabling students to interact with professionals and learn about the work and hiring process found within their chosen field. In addition, we are always looking for interested alumni and employers who are willing to host a student for a job shadowing experience. We welcome the opportunity to collaborate with your organization and build an innovative career program that brings value to your organization and to Salve Regina University community.

INFORMATION SESSIONS

Opportunities to connect with our students in an informal or formal environment can be easily arranged. There are several high traffic locations around campus where we can provide an information table for your organization. We can also work with faculty and student leaders to arrange for presentations in classrooms or club meetings depending on your needs.

ON-SITE VISITS

Our office would be pleased to coordinate a student group visit to your organization's site through our CareerTreks program. This can be a powerful avenue to showcase your facility, employees, and culture. Allowing students the opportunity to gain insight into your organization offers an invaluable learning experience and recruiting opportunity.

About Salve Regina University

MISSION STATEMENT

As a community that welcomes people of all beliefs, Salve Regina University, a Catholic institution founded by the Sisters of Mercy, encourages students to pursue meaningful work that contributes to a world that is harmonious, just, and merciful.

UNDERGRADUATE STUDENT PROFILE

2180 Undergraduate Students

34 % Male

66% Female

Students hail from 36 states and 26 nations

ACADEMIC DISCIPLINES

Rooted in the Catholic liberal arts tradition, our academic programs create opportunities for students to explore and expand their potential. Offerings include more than 40 undergraduate majors, 13 master's degree programs and two doctoral programs. Many areas of study also provide options for undergraduate minors and graduate certificates. For more information about areas of student study, please visit www.salve.edu.
