												10/1/19	10/1/20	2020-21	2019-20	2018-19

Measured at time of census snapshot, Oct 1 of term year.

IPEDS retention rate definition: A measure of the rate at which students persist in their educational program at an institution, expressed as a percentage. For four-year institutions, this is the percentage of first-time bachelors (or equivalent) degree-seeking undergraduates from the previous fall who are again enrolled in the current fall.
