Wireless Network Access for Guests of Salve Regina University

When connecting to Salve Regina's network, here are a few simple steps to make the process a little bit easier. Please follow these instructions for any laptop, tablet, iPad, or cell phone.

1. Make sure your wireless is turned on.
 - a. *WiFi symbol often looks like an antenna/service symbol (on Mac's this is usually in the top right corner, on Window PC's this is usually in the bottom right).*
2. When you select the wireless, a list of connections will appear.

3. You will want to select and connect to **SRU-Guest**.

4. Open a web browser and begin surfing to any webpage. You will then be greeted by the Computer and Network Use policy to read and agree to.

5. Once you agree you will be presented with the Registration welcome page. You will need to select the Start button next to "Guests".
