Initiated interactive videoconferencing prototype program in conjunction with faculty and students in ISS 412 Telecommunications and Distributed Data Processing. Established interactive communications with South Africa, New Jersey, Russia and Naval Undersea Warfare Center (NUWC). 2000

Increased utilization of hardware and software in the UCL by 30% through enterprising classroom programs. 1997

Realized a 15% saving of fiscal budget during first year of management of the UCL through judicious time management procedures. 1993

Continuously maintained expenditures within allocated budgeting by limiting employment costs through creative optimization of scheduling.

Compiled statistics through SAS software, edited and formatted text and developed extensive experience accessing online libraries worldwide via Internet for doctoral candidate's dissertation.

Education *Touro University International (branch of Touro College N.Y.)*
 Ph.D. in Business Administration, 2007
Salve Regina University
 M.S. Information Systems Science, 1996
 M.A. Human Resource Management, 1994
 B.S. Biology Cum Laude, 1992

Honors Sigma Beta Delta International Honor Society (Business, Mgt., Administration)
 Sigma Phi Sigma National Honor Society
 Lambda Tau Honor Society
 Cum Laude Graduate
 Pell Faculty Scholar

Prior Work *Salve Regina University*
 Fall 2000 *Salve Regina University*, Co-developed and co-instructed new course in Bioinformatics about researching and understanding databases of medical information and creating relevant charts, presentations and research papers from the data.
 Spring 2000 *Salve Regina University*, Developed new course for ISS 103 that concentrated on the management of information systems including ethical policies, e-mail usage, VTC applications and managing teleworkers.
 June 1997 - 2009 *Salve Regina University*, Freshmen/New Student Seminar Advisor
 Advising new students of requirements and teaching a course for orientation to University life. Ongoing advising of upper level Business majors.
 June 2000 - Harbormaster's office, City of Newport, *Assistant*

- 2008 Maintaining the security and authorized docking at Newport Harbormaster's dock. Creating and updating computer logs for moorings and relevant port documents and informational guide to tourists.
- June 2000 - Touro Synagogue, *Docent*
2007 Educational lectures at country's oldest synagogue.
- June 1998 - Rhode Island Small Business Administration
2002 *Consultant*: Management, Information Technology
Systems analysis for small business owners to help with comprehensive planning in area of personnel management and /or technological advances such as web page development and design.
- July 1992 - Assistant Director, Interim Director, University Computer Laboratory (UCL)
August 1999 Responsible for implementation, maintenance and documentation of the UCL which was defined as five separate facilities. Four of these contained networked computers that I scheduled as classrooms or for independent student study. The fifth was a multimedia training room. Tasks included teaching software applications, interacting with students, faculty, staff and external groups, assisting University users with software problems, scheduling student workers and implementing training programs in software and hardware trouble-shooting proceedings and multimedia set-up for student workers, designing and teaching workshops for outside professional and non-professional groups. Instructed and guided work/study students in professional office behavior such as preparing technical user guides, proper dress codes, attendance, status reports, helpful and friendly assistance. Assisted with the transition and installation of token ring and Ethernet laboratories. Installed software and/or upgrades when needed. Attended workshops and seminars on new software applications.
- Sept 1995- Part-Time Faculty -- Salve Regina University Economics Department
Dec 1995 Taught courses in Economic Geography, an overview of the developed and developing realms of the world, their cultures, politics and economic interactions.
- May 1991 - Academic Computer Laboratory (now University Computer Labs)
Jul 1992 Office Support Coordinator
Provided ACL maintenance, instructed students, faculty, staff and external groups in various software applications such as WordPerfect and Lotus. Attended training sessions in software/hardware and management skills.
- Jan 1989 - Biology Department -- Laboratory Assistant
May 1992 Responsible for the preparation and application of medical technology labs. Assisted in workshops and helped students with instructional computer programs.
- Summer Salve Regina University Library -- Library Assistant
1989 Assisted with the conversion from the Dewey Decimal system to the Library of Congress cataloging system. Utilized Symphony database for the ordering and cataloging of books.
- Pre 1989 Various retail experience including managing a bookstore and training employees.
